Dear Heather:

Re: 175 Bloor Avenue East
Compartment Unit Motor Replacement Project

On behalf of the operations team at 175 Bloor Street East, I would like to pass on our appreciation on the excellent quality of workmanship and professionalism that your firm displayed during our recent project in the replacement of our VFD / Fan Motors.

The Magneto staff played a significant part along side with our other contractor (Campbell & Kennedy) in achieving our scheduled completion date. Your staff members are extremely knowledgeable, courteous and continually displayed an exemplary amount of professionalism and pride in their work performance night after night.

We would like to thank Magneto Electric for a "job well done" at 175 Bloor Street East.

Yours truly,

CREIT Management L.P.
